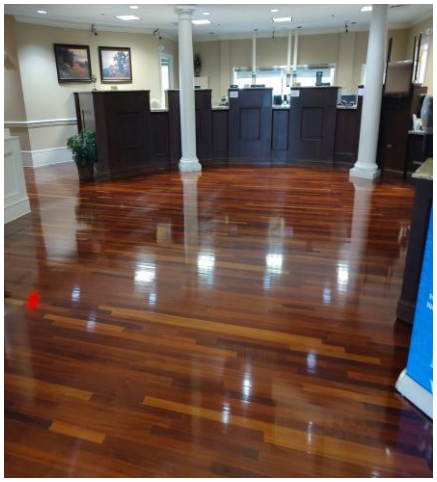
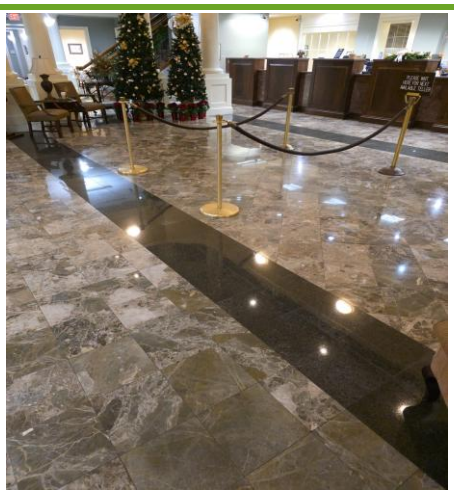
Let It Glow Floor Care System

A SIMPLER TWO-PRODUCT APPROACH TO CLEAN, RESTORE & PROTECT FLOORS





Keep Floors Looking Their Best - With Fewer Steps

Floor finishes are designed to shine and protect your floor. The objective is to help keep floors looking that way through daily care, routine maintenance, and periodic restoration.

The Let It Glow team of experts can show you how and save you up to 60% labor and 70% material.

The Two-Product System

1 CLEANER & RESTORER

- Supports daily cleaning, routine maintenance, and periodic restoration.
- Daily cleaning: 1 oz per gallon of water.
- Installation / restoration: 4 oz per gallon of water.
- Works with mop-and-bucket, microfiber flat-mop, or automatic scrubber.

2 FINISHER

- Ready-to-use floor finish / restorer.
- Coverage: 2,500-3,000 sq ft per gallon of finisher.
- Part of a system designed to simplify ongoing floor care.
- No strip-and-wax cycle required.

Unless your floors need stripping now, you won't need to strip again using Let It Glow.

HOW THE LET IT GLOW SYSTEM WORKS

Cleaner & Restorer for routine care and surface renewal. Finisher for ready-to-use finish/restorer coverage.

System at a Glance
