## DILUTION GUIDANCE

| APPLICATION TYPE | DILUTION RATIO | YIELD PER GALLON OF CONCENTRATE |
|---|---|---|
| Daily Cleaning | 1 oz per gallon of water | 128 gallons of ready-to-use cleaner |
| Installation / Restoration | 4 oz per gallon of water | 32 gallons of ready-to-use solution |

**Application note:** Even at the higher (4 oz/gal) restoration dilution, Let It Glow delivers complete surface renewal - restoring gloss, removing ground-in soils, and refreshing finish appearance - without the use of stripping agents or caustic chemicals. No scrub-and-recoat cycle is required.

## COVERAGE

| APPLICATION | DILUTION | COVERAGE PER GALLON OF CONCENTRATE |
|---|---|---|
| Daily Cleaning | 1 oz per gallon of water | 320,000 sq ft |
| Installation / Restoration | 4 oz per gallon of water | 80,000 sq ft |

| APPLICATION | DILUTION | COVERAGE PER GALLON OF CONCENTRATE |
|---|---|---|
| Floor Finish / Restorer | Ready to use | 2,500-3,000 sq ft per gallon of finisher |

**Coverage note:** At daily cleaning dilution, one gallon of concentrate covers over 320,000 square feet - exceptional value for large school facilities, campuses, and institutional environments.

## SUMMARY
